## **Competition Important Points:**

### **Driving:**

All families are responsible for their own transportation. Carpooling is recommended and encouraged. If you are looking for a family to carpool with, please email the office. An optional team itinerary will be released once the competition dates and times are finalized. This itinerary will include team suppers and events when in Sherwood Park

### **Hotel:**

The recommended hotel is the Hampton Inn b Hilton. The hotel includes breakfast as well as a pool. You can pre-book rooms and cancel up to 48 hours before. I recommend booking the dates May 3rd-7th and canceling nights you don't need at a later date. I will not be booking a block of rooms so please do not wait to do this.

Their phone number is: (780) 449-1609

### **Fundraising:**

Funds from the luggage tag, Christmas box sale, will be going into one big account and divided equally with each family. It is my hope to cover a good portion of the competition fees for Sherwood Park.

The Valentines Day Cookie sale will be going to a fun team event while we are in Edmonton.

Funds from the bacon fundraiser will be applied to your family account individually.

If we decide to add any other fundraising avenues, it will all be put into the lump sum account.
